REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record fail to teach or suggest a memory device comprising a nonvolatile memory to store redundant address information or trimming information, a decoder for decoding the redundant address information or trimming information, a switch circuit controlled by the decoder, the nonvolatile memory includes nonvolatile memory cells, wherein the nonvolatile memory cell is applied with a predetermined voltage to read in accordance with a reset signal and the redundant address information or the trimming information read from the nonvolatile memory is stored in a register, wherein, while the memory device is powered after storing the redundant address information or trimming information in the register, the redundant address information or the trimming information read from the nonvolatile memory is held in the register and the nonvolatile memory cell is not applied with the predetermined voltage.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Son Dinh whose telephone number is 571-272-1868. The examiner can normally be reached on 8am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Richard Elms can be reached on 571-272-1869. The fax phone number for the organization where this application or proceeding is assigned is 571-273-1868.
